

3. Social media

TikTok, WhatsApp, Instagram - how well do you know about these services yourself and what to watch out for?

- Many services have **age restrictions** and are **not yet safe for primary school children to use**
- Explain to your child how to **avoid giving away personal data**
- Make your child aware of the need to **be careful with photos of themselves and others** (right to one's own image, photos on the Internet remain forever)
- As parents, constantly **inform yourself about cyberbullying, sexting etc.** and talk to your child about these topics!

Infoletter – digital media at the age of 6-10

Dear parents,

Smartphone, tablet & other devices are now part of everyday life for most children. Digital media offers numerous **opportunities** for children, but also **risks**. Therefore, children should be **accompanied** in their media use from the very beginning and **informed** about possible **dangers** in a child-friendly way.

Top 3 tips for home use

1. **establish rules** for everyday media use and choose suitable content
2. turn on **safety settings** on devices
3. **Monitor and guide** children's use of **social media**

1. Setting a time frame and selecting content

Media usage times

Age 6-10: max. 60 minutes Media use time per day	Rule of thumb: 10 minutes of media use per year of life per day (source: BZgA, Klicksafe)

- Implementation e.g. with the help of **media vouchers** www.klicksafe.de/en/bildschirm-und-medienzeit-was-ist-fuer-kinder-in-ordnung
- Agree on a **media use contract** www.mediennutzungsvertrag.de/
- Always **try out and watch** series, games etc. **together** with the child beforehand - is the content suitable for my child?

2. Safety settings

- Information on **security settings** on mobile phones, tablets, TVs and consoles: www.medien-kindersicher.de/startseite
- Instead of Youtube and Google, use **suitable sites and children's search engines** such as www.blindekuh.de and www.fragfinn.de
- Let the first mobile phone be used exclusively with **youth protection apps and filters** (e.g. Kids Place, Jusprog, FragFinn)

Caution - photos of children in social networks: protect the privacy of your children. These photos can be misused.
